Program Highlights

50 minutes of Enrichment

- **Welcome Play** - Toddlers are introduced to play centers and theme inspired manipulatives in the Core Room while grown-up presence allows campers to gain independence as they explore.
- **Story Time** - Campers gather around the circle for shared thematic story time.
- **Arts & Crafts** - Toddlers are introduced to a variety of sensory and tactile art mediums and materials to freely explore the weekly themes.
- **Music & Snack** - A light snack is provided as campers and their grown-ups join in lively, thematic music and movement fun and instrument play.

25 minutes of Gym

- Gym time for this age includes free play, introduction to gross motor skills through a variety of warm-ups, activity circuits, and theme-related games.

NEXT STEP: Our Kidville University (KVU) pre-school alternative program in the Fall.
