## Program Highlights

### 60 minutes of Enrichment

- **Welcome Play** – 2s are introduced to play centers and theme inspired manipulatives in the Core Room.
- **Story Time & Snack** - Campers gather around the circle for shared thematic story time and begin to interact as classmates and peers. A light snack is provided.
- **Arts & Crafts** - Using multiple sensory and tactile mediums and materials, teachers facilitate 2s exploratory and project based arts around the weekly theme.
- **Exploration** - 2s explore introductory cause and effect concepts through experiential group investigations and science experiments.

### 30 minutes of Music

- Lively, thematic music and movement games with a Kidville musician, instrument play with introduction to rhythm, dynamics, and other musical concepts, and instrument creation.

### 30 minutes of Gym

- Active free play, team building games, introduction to warm up circuits and muscle development skills including agility, endurance and balance.

**NEXT STEP:** Our Kidville University (KVU) pre-school alternative program in the Fall.
