## Program Highlights

### 60 minutes of Enrichment

- **Welcome Play** – Campers are dropped off and independently explore the themed play centers and activities of the day alongside peers.
- **Story Time & Snack** - Campers gather around the circle for interactive story time around the weekly theme. A light snack is provided as campers socialize and form friendships.
- **Arts & Crafts** - Using multiple sensory and tactile mediums and materials, teachers facilitate exploratory and craft based take-home projects around the weekly theme while introducing artistic concepts.
- **Science Exploration** - Projects spark tactile and sensory explorations while group discussions enhance understanding of basic STEM concepts.

### 30 minutes of Music

- Campers join in lively, thematic music and movement time including music performance to familiar and popular cover songs complete with props, songwriting with a Kidville musician, and creating their own instruments.

### 60 minutes of Gym/Outdoor Field Trip

- **Adventure Circuits** - Campers enjoy free play, a variety of warm-ups, obstacle courses, and cooperative games. Gymnastics skills are a focus during many of the gym circuits and promote balance, coordination, and resilience .
- **Introduction to Sports Skills** - During this 30 minute segment, campers will be introduced to a new sport and its basic skills each week. Instructor led drills and games help to reinforce what they've learned.
